

BUILT TO LAST

- ▶ High temperature fade resistant hydraulic fluid
- ▶ Viton seal to withstand high operating temperatures
- ▶ High durability bonded rubber bushing
- ▶ Velocity sensitive damping eliminates harsh road inputs
- ▶ Hydraulic lock-out piston

With over 100 years of experience in every shock absorber, you know they're built to last.

MADE IN AUSTRALIA

KENWORTH TRUCK

**24 MONTH
150,000KM
WARRANTY**

Shock absorbers engineered and manufactured in Australia with proven durability to improve your UPTIME.

DURABILITY

- ▶ Bonded rubber bushing: Optimising driver comfort and durability for your truck.
- ▶ OE valving design: Tested and proven valving design that maintains damping control.
- ▶ Viton seal: Maximises durability under the most extreme Australian conditions.
- ▶ Large 45mm bore shock absorber : Engineered to ensure maximum durability and longevity.

DAMPING

- ▶ Velocity sensitive damping: Improved comfort and reduced wear and tear on your truck.
- ▶ High temperature hydraulic fluid: Optimised to reduce fade over a wide operating temperature range improving stability and control.

SAFETY

- ▶ Hydraulic lock-out: Minimises stress on chassis mounting components during top-out events.

WARRANTY

- ▶ 24 month, 150,000km.
